

Download A Concise History of Brazil: Second Edition free Boris Fausto & Sergio Fausto (PDF, ePub, Mobi)

A Concise History of Brazil, 2nd edition, offers a sweeping yet accessible history of Latin America's largest country. Boris Fausto examines Brazil's history from the arrival of the Portuguese in the New World through the long and sometimes rocky transition from independence in 1822 to democracy in the twentieth century. In a completely new chapter, his son Sergio Fausto, a prominent political scientist, brings the history up to the present, focusing on Brazil's increasing global economic importance as well as its continued democratic development and the challenges the country faces to meet the higher expectations of its people.
