It's not fair. Titled rakes can practically get away with murder, but one tiny little misstep and a debutante is sent away to the country. Which is where Lady Natalie Spencer is stuck after jilting her betrothed. Frustrated with her banishment, she's finished being a good girl and ready to be a little naughty. Luckily she has brothers, one of whom has brought home his delightfully gorgeous friend. After recently inheriting an earldom, Garrett Castleton is determined to turn over a new leaf and shed the roguish lifestyle he adopted years ago. His friend's sister, no matter how enticing, is out-of-bounds. He has a run-down estate to manage and tenants to save from destitution. Can love find a compromise between the two, or will their stubbornness get them into even more trouble?
