Available only on Apple Books, this enhanced edition is an amazing way to explore the rich world of George R. R. Martin's series. Stay on top of the epic story lines with annotations, glossaries, and family trees. Follow each main character's journey with interactive maps. Explore the symbolism of every house's sigil. In addition to hundreds of enhancements, you'll find an excerpt of *The Winds of Winter*, the hugely anticipated sixth book in Martin's series.

Here is the third volume in George R. R. Martin's magnificent cycle, which is destined to stand as one of the great achievements of imaginative fiction.

Of the five contenders for power, one is dead, another in disfavor, and still the wars rage as violently as ever, as alliances are made and broken. Joffrey, of House Lannister, sits on the Iron Throne, the uneasy ruler of the land of the Seven Kingdoms. His most bitter rival, Lord Stannis, stands defeated and disgraced, the victim of the jealous sorceress

who holds him in her evil thrall. But young Robb, of House Stark, still rules the North from the fortress of Riverrun. Robb plots against his despised Lannister enemies, even as they hold his sister hostage at King's Landing, the seat of the Iron Throne. Meanwhile, making her way across a blood-drenched continent is the exiled queen, Daenerys, mistress of the only three dragons still left in the world. . .

But as opposing forces maneuver for the final titanic showdown, an army of barbaric wildlings arrives from the outermost line of civilization. In their vanguard is a horde of mythical Others—a supernatural army of the living dead whose animated corpses are unstoppable. As the future of the land hangs in the balance, no one will rest until the Seven Kingdoms have exploded in a veritable storm of swords.
