After the Great Refusal offers a Western Marxist reading of contemporary art focusing on the continued presence (or absence) of the avant-garde's transgressive impulse. Taking art's ability to contribute to a potential radical social transformation as its point of departure, Mikkell Bolt Rasmussen' analyses the relationship between the current neoliberal hegemony and contemporary art, including relational aesthetics and interventionist art, new institutionalism and post-modern architecture. '...a trenchant critique of neoliberal domination of contemporary art.' Gene Ray, author of Terror and the Sublime in Art and Critical Theory
