Apple has launched another series in its line of smartwatches. This is the Apple Watch Series 4. The Apple Watch Series 4 is a total revamp in comparison to its predecessor the Series 3. From the overall appearance of the gadget to the software that helps it to function and perform the necessary operations, the changes are quite evident. If you had had one of these devices, you will have noticed that this watch does more than just tell the time.

There are a lot of special features that draw consumers into the Apple watches. Now, with the new Series 4, a lot of those features have been enhanced and other equally useful and convenient features have been added to the mix. This new feature make the Apple Watch Series 4 appear to be even more personal to the user than all the other editions before this one.

So, what sets the Apple Watch Series 4 apart from the rest? Let us look the new modifications and additions.
