Here is the very best of backyard building: Popular building authors Jeanie and David Stiles—whose treehouse once garnered a spread in Architectural Digest—have gathered dozens of original plans for treehouses, playhouses, and sheds, as well as a summer house, tea house, garden arbor, and functional workroom.

Backyard Building will cover backyard accessories, the fundamentals of tools and materials, and useful tips based on real-life questions from the couple's popular website. Its unique style, with hand-drawn illustrations to guide the reader through the building process in a user-friendly way, stands out from the crowd. The clear, detailed drawings are not only easy to follow but a pleasure to look at; they are

supplemented by irresistible color photographs.
