There's bad, and inappropriate, and scandalous, and wrong.

And then there's giving your virginity to your gorgeous and dominant high school government Professor, on his desk, five minutes after you turn eighteen.

Oh I've been a bad, *bad* girl...

Winchester Academy is home to a lot of things - the spoiled rich kids of the world's elite, ivy-covered walls, typical high school drama and angst, and *him* - Professor Oliver Bard. Dominant, alpha, and *completely* freaking gorgeous.

I know he looks at me, even if he sees me as forbidden fruit—tempting and off-limits. But I've been obsessed with him for way, way too long, which is why I purposefully got myself thrown into his infamous "midnight detention" on the eve of my eighteenth birthday.

Just the two of us, alone, watching the clock tick down.

Yesterday, this would be illegal. Today, it's just plain wrong. Wrong, sick, morally reprehensible, and *achingly* hot.

This could ruin him, and put a scarlet letter on my back for the rest of high school. But once I feel those big hands on me, and once I get a taste of his perfect, forbidden mouth, and once he shows me things I've only ever dreamed about, imagining him, I know there's no going back.

I know I should say no, but that's a little hard to do when his mouth and hands and...well, *other things* are only making me scream "*yes, professor*" ...

Each of the Winchester Academy books are completely standalone stories, with no cliffhangers.

Hot, wild, and insta-love galore, with an utterly obsessed alpha hero and an untouched, very, very off-limits heroine. If you love over-the-top, slightly unrealistic, and wildly dirty stories, this one's for you! As with all my books, this steamy novella is safe, with no cheating, and a HEA guaranteed.
