After barely surviving another attack on her life, Chloe has only one option left. Magic given to her by the wizard Joseph offers her the chance to save the world from the ancient enemy she faces, but only if she sacrifices her ability to become a mermaid or else leaves the land behind forever. With no control over which side of her heritage she'll become, Chloe may lose everything, including the two guys who both have claimed her heart.

But when a desperate message arrives, the stakes become even higher. Zeke has been captured. The Sylphaen surround him. And if Chloe tries to save him, Zeke's brother promises to make certain she dies.

She's running out of options and she's running out of time. Zeke's life hangs on one side of the balance and the fate of the world is on the other. Chloe has to make a choice.

One that will change her life forever.
