Be(com)ing Nigerian: A Guide is a satirical collection that takes a searing look at how different forms of power are abused, negotiated and performed both in the private and public realm. Through attempting to satirise those who abuse privilege or power, it recognises that power can be found everywhere: in politics, business, religious institutions and in homes. From the exploration of religious hypocrisy in How To Worship The Nigerian God, to A Letter to My Future Kidnapper which tackles the growing scourge of kidnapping, the collection is a jab at Nigerian society and what it means to be a Nigerian. Beyond poking fun at the holders of power, it is a summon, a provocation and a call for introspection among all levels of society. As it is often said in Nigeria, when you point with one finger, there are four others pointing back at you.

This is an engrossing read for Nigerian watchers, and strangers to Nigeria alike, with its tongue-in-cheek look at Nigeria's relationship to the world, both culturally and politically.
