Biology 2e (2nd edition) is designed to cover the scope and sequence requirements of a typical two-semester biology course for science majors. The text provides comprehensive coverage of foundational research and core biology concepts through an evolutionary lens. Biology includes rich features that engage students in scientific inquiry, highlight careers in the biological sciences, and offer everyday applications. The book also includes various types of practice and homework questions that help students understand — and apply — key concepts.

Vividing Activilization is a reliable and scalable platform specially designed for creating the next generation, high quality, interactive, mobile first digital contents that can be mass produced and easily delivered to any devices with a special emphasis on Exam & Assessment products.

This book is created by Vividing Inc. using proprietary platform that is interactive, personal, mobile, and open to all digital devices.
