BLACK+DECKER's latest edition of the bestselling home-improvement book in North America for more than a decade is completely updated to conform to 2017-2020 national electrical codes.

For more than ten years, *BLACK+DECKER The Complete Guide to Wiring* has been the bestselling home wiring manual in North America. Now with more than two million copies in print, this is the **home reference book more DIYers choose** than any other for many reasons.

As the most current wiring book on the market, you can be confident that your projects will meet **national writing codes**. You'll also spend more time on your project and less time scratching your head thanks to more than **800 clear color photos and over 40 diagrams** that show you exactly what you need to know about home electrical service; all the

most common circuits, all the most-needed techniques, all the most essential tools and materials.

The information in this book has been created and **reviewed by professional electricians** under the watchful eye of the experts at BLACK+DECKER. You can find plenty of articles and videos about wiring online or in other publications, but only *The Complete Guide to Wiring* has passed the rigorous test to make it part of *The Best DIY Series from the Brand You Trust*.
