She will fight for what is hers.

Magic runs thicker than blood...

As the final battle approaches, the exiled princess finally returns home...only to find that things are not as they seem.

After a shocking discovery leaves them scrambling, Katerina and the gang find themselves faced with the toughest problem yet—finding an enemy they can kill. Alliances are tested, traitors are revealed, and bonds are stretched to the brink as the two armies march towards each other.

Can Katerina find a way to save the one person she thought was already lost? Can she unlock the secrets of her family's ancient power in time? Or will she find herself losing more than just a crown and a kingdom?

Only time will tell.

Be careful who you trust. Even the devil was once an angel.
