

Download Building Communities, Not Audiences free Doug Borwick (PDF, ePub, Mobi)

Building Communities, Not Audiences holds that established arts organizations, for practical and moral reasons, need to be more deeply connected to their communities. It serves as an essential primer for any member of the arts community—artist, administrator, board member, patron, or friend—who is interested in the future of the arts. It also provides new ways of looking at the arts as a powerful force for building better communities and improving the lives of all.
