*** Black Obsidian by Victoria Quinn is included at the end of this book ***

When I saw my escape, I took it. Now I'm in New York City and trying to get my life back on track. Despite the tracker in my ankle, Crow hasn't come for me. He hasn't even called me. I told him the depth of my feelings but he cruelly rejected them.

Maybe he's forgotten about me.

One day, I walk into my apartment and spot the pile of buttons on the counter. I never left them there, and there's only one explanation for their presence.

Maybe Crow hasn't forgotten me after all.
