Venus Thibodeaux had a reputation for being trouble. Some said she started at birth. When she finally left Sinful shortly after turning eighteen, everyone breathed a sigh of relief. When she blew back into town four years later, no one was happy about her return. She immediately launched into her same old scams, picking off Sinful residents with ease before disappearing again as quickly as she'd appeared.

Everyone assumed she'd headed back to New Orleans.

But when an accident at the annual Thanksgiving Turkey Run uncovers her body, everyone Venus took for a ride becomes a suspect. The man at the top of that list sees the writing on the wall and hires Fortune to figure out who killed Venus, before he goes to prison for a murder he didn't commit. Fortune, Ida Belle, and Gertie start poking around into Venus's complicated life, hoping to find the killer. And to solve their first official case.
