Catching Kate is book 1.5 and follows Breaking Kate in The Acceptance Series.

It's been almost four years since I've seen Kate, but I've thought about her every single day. Our reunion was unexpected and nothing like I'd envisioned. Never in a million years would I have guessed the love of my life would fall for my best friend.

Kate agrees to meet so I can explain what happened, why I distanced myself, but I'm not sure how to put it all into words.

I'm determined to prove that abandoning her was a mistake. It doesn't matter if she's with Daniel now. She's been my girl since we were teenagers, and one day, she'll be my wife.

This series was designed to be read in order.
