

Download Code Name: Genesis free Sawyer Bennett (PDF, ePub, Mobi)

Years ago, they were in love. She was an up-and-coming superstar and he was the devilishly handsome security professional hired to keep her safe. They fell hard and fast, no matter how they tried to resist one another. But not everyone around them was happy about their relationship, and a string of lies and deceit destroyed what they once had.

Having just taken the helm of a nationally renowned protective services company, Kynan McGrath is looking to rebrand and revamp his career. The newly crowned Jameson Force Security is moving from the glitz and glamour of Las Vegas to the mountainous steel town of Pittsburgh, and the last thing Kynan has time for is to deal with his past.

More than a decade has passed since their split, but even a bruised and battered heart remembers its first love. So when Joslyn Meyers comes to him for help, Kynan reluctantly agrees to keep her safe from a terrifying stalker who keeps threatening her life.

As the danger they face continues to intensify, Kynan realizes he'll stop at nothing to protect the woman who turned her back on him all those years ago. Because one thing is certain—no matter how hard he tries to convince himself otherwise, Joslyn still has his heart.
