

Download Code Name: Heist free Sawyer Bennett (PDF, ePub, Mobi)

I am a world-class thief. Or I was, before I got pinched and landed in prison. After I served my time, I decided to get on the right side of the law, or as much as my job at Jameson Force Security allows. The lines sometimes blur, which suits me just fine. My name might be Saint, but I'm a devil to most.

My plan to go legitimate is going as anticipated, until my past and present collide in a big way. While in Paris preparing to take down a ring of highly specialized thieves, I come face-to-face with my biggest threat—and my most dangerous temptation.

Sindaria "Sin" Westin was the love of my life, until her betrayal landed me behind bars. Now I've got to find a way to trust her again, at least long enough to pull off this job. When it becomes clear the price for this heist will be our lives, I realize I need to do whatever it takes to keep Sin safe, even if it means trading my life for hers. Because no matter the lies I've told myself, Sin's greatest theft was the day she stole my

heart.
