Fiercely intelligent piratical raiders who feed upon anguish to stave off the slow death of their souls, the Drukhari epitomise everything wanton and cruel about the ancient Aeldari race from which they are descended. Their boundless potential is put to every terrible purpose they can imagine, and because their lives span millennia, they have all the time they need to perfect their stygian arts. Collectively, the warriors of Commorragh know all the ways there are to kill the galaxy's myriad creatures, and delight in perfecting as many as they can.

Codex: Drukhari contains a wealth of background and rules - the definitive book for Drukhari collectors. Within, you'll find:

- Dark Origins: the history of the Drukhari from the fall of the Aeldari, their use of the webway and their self-contained realm of Commorragh, and details of their regular incursions into realspace to find fresh victims;
- The Dark City: details of the bizarre, fractal city of corruption known as Commorragh - its structure, outskirts, underworld and defensive abilities;
