Did You Know That Nearly 11.4% of ALL People That Carry Change Are Throwing Away Potentially Thousands of Dollars Unknowingly, Because They Didn't Know Coins Can Be Worth More Than Their Face Value? The Best Way You Can Find Out Is To Delve Into The World of Coin Collecting. You May Be Surprised What Might Be Hiding In Your Coin Jar! One Coin Could Pay For Whatever It is You've Been Saving For! Once you start into the fascinating and possibly profitable world of coin collecting, you would be surprised what you can find out about coins, their value, and their history. There are thousands of coin collectors all over the world. If you've ever wondered what coin collecting is all about, then this is a very important book for you to read! People collect all sort of things -- stamps, beanie babies, snow globes, phone numbers! What do they get from collecting these items? Many things. For some it's the quest toward finding a new addition to their trove. For others, it's completing a set by locating that elusive

item. And still others get enjoyment just knowing that they are doing something that pleases them and gives them purpose. It's the same with coin collecting. However, with coin collecting, you can learn a lot more than just what coins you need to complete a set. You learn about the history of the world, the stories behind certain monies, and the value of the coins you are amassing. Some coin collectors pursue this hobby as a way to make a living or supplement their income. After all, some coins can be worth quite a bit of money and when they sell those coins, they realize a profit. Whatever your reason, coin collecting can offer this to you and more! It's all what you make of it and what YOU as the collector want to get out of it! You can begin your journey into the wonderful world of coin collecting right now with this amazing book. This book will be your porthole into a lifelong hobby that you will be able to pass down for generations. What's so great about coin collecting? SO MUCH! Consider what coin collecting can show you: - A better knowledge of history - An introduction into the monetary system - Networking opportunities with other collectors - Organizational skills - Excitement - Pride - And so much more! All the information you've ever wanted to know about coin collecting is all in this book. Here's a sneak peek at what you'll find inside the pages: - Coin collector's glossary of terms - Tools of the trade - What kinds of coins you should collect - How to determine the value of your coins - How to find coins for your collection - Some of the most valuable coins in the world - How to get kids interested in coin collecting - And much, much more! People collect all sorts of things, but coin collecting can not only be enjoyable, but profitable as well! By learning how to grade your coins, you can begin selling them for a profit that could very well exceed your wildest dreams! This definitive guide will help you start your coin collection from scratch and how to make it into something you can be proud of. Money is a part of our everyday lives. It has been for years and years. Coin collecting can take you back in time to when simple pieces of metal were used to buy and sell. And that can be a fascinating journey! Gaining a new appreciation of those little pieces of metal we use to buy and sell everything is just the beginning. Start appreciating and begin your new hobby of coin collecting today! Happy Collecting!
