Welcome to Keating Hollow, the magical village full of love, family, and spirit.

After Hanna Pelsh lost her sister over a decade ago, she vowed to live her life to the fullest. And she does just that. When she's not running the family coffee shop and volunteering her body to research for the mysterious disease that took her sister, Hanna dives head first into every adventure she can find. The only problem? The man she's loved since she was fifteen doesn't seem able to commit.

Rhys Silver has his dream job working at the Keating Hollow brewery. The only thing missing is a partner by his side. He's known who he wants for as long as he can remember. He also knows he's no good for her. But when the worst happens, he has a choice to make... overcome his fears or lose her forever.
