Stolen sports cars, brilliant casino heists, and the brazen kidnapping of a prince: only the shadowy spy-for-hire Simon Riske can stop the mastermind behind it all.

Monte Carlo's lavish casinos have become the target of a sophisticated and brutal team of professional gamblers; a casino dealer has been beaten to death; a German heiress's son has been kidnapped. Who better to connect the crimes and foil a daringly brilliant plot than Simon Riske, freelance industrial spy? Riske -- part Bond, part Reacher -- knows Monte Carlo well: it's where he was once a thrill-seeking thief himself, robbing armored trucks and leading police on dangerous car chases across the Côté d'Azur, until he was double-crossed, served his time, and graduated as an investment genius from the Sorbonne.

Now Riske is a man who solves problems, the bigger and "riskier" the better. From the baccarat tables of Europe's finest casinos to the superyachts moored in Monaco's Port Hercule to a secluded chalet deep in the Swiss Alps, Riske will do what he does best: get in over his head, throw himself into

danger, and find a way to outthink and outmaneuver villains of every stripe.

In one of the most clever, enjoyable, and entertaining new series to come along in years, this sequel to *The Take* gives readers what they want most: a hero we can root for, locales we wish we were in, and a plot that never lets up.
