But when her most frequent client, the annoyingly charming (or is that charmingly annoying?) Dylan Calloway comes to her with an unconventional new job, Poppy discovers that three little words can add up to one big complication...

Because Dylan doesn't want help seducing another swimsuit model (for once in his life). He wants Poppy's help breaking up his sister from her dirtbag gold-digging boyfriend - and he's prepared to make it worth her while. Throw in a summer Catskills trip that's equal parts 'Dirty Dancing' and dirty-talking, and this Cupid is soon out of her depth - and head over heels with the last man she expected.

But can she find the right words when it comes to her own heart? Or will this happily ever end in disaster?
