Malcolm Gladwell, the #1 bestselling author of *The Tipping Point*, *Blink*, *Outliers*, and *What the Dog Saw*, offers his most provocative---and dazzling---book yet.

Three thousand years ago on a battlefield in ancient Palestine, a shepherd boy felled a mighty warrior with nothing more than a stone and a sling, and ever since then the names of David and Goliath have stood for battles between underdogs and giants. David's victory was improbable and miraculous. He *shouldn't* have won.

Or should he have?

In *David and Goliath*, Malcolm Gladwell challenges how we think about obstacles and disadvantages, offering a new interpretation of what it means to be discriminated against, or cope with a disability, or lose a parent, or attend a mediocre school, or suffer from any number of other apparent setbacks.

Gladwell begins with the *real* story of what happened between the giant and the shepherd boy those many years ago. From there, *David and Goliath* examines Northern Ireland's Troubles, the minds of cancer researchers and civil rights leaders, murder and the high costs of revenge, and the dynamics of successful and unsuccessful classrooms---all to demonstrate how much of what is beautiful and important in the world arises from what looks like suffering and adversity.

In the tradition of Gladwell's previous bestsellers---*The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw*---*David and Goliath* draws upon history, psychology, and powerful storytelling to reshape the way we think of the world around us.
