Now a *New York Times* bestseller! **The Mount Trilogy continues with *Defiant Queen*...**

I'm his entertainment. His toy. Payment on a debt. I tell myself I hate him, but every time he walks into the room, my body betrays me. How can I want him and fear him in the same moment? They told me he'd mess with my head. Make it go to war with my body. But I didn't realize it would be complete anarchy. I should've known better. When Mount's involved, there are no rules. I will not surrender. I will not show weakness. I'll stand my ground and make it out of this bargain with my heart and soul intact. But he has other plans . . .

***Defiant Queen* is the second book of the Mount Trilogy and should be read following *Ruthless King*. Mount and Keira's story concludes in *Sinful Empire*.**
