Harper has come a long way from her life as a foster child. She never imagined what her future would hold when she was first brought to the small town of Peachville. Since that day she's faced great evil, found some of the answers she's been looking for, and fallen deeply, madly in love. But her biggest challenge and her greatest lessons are still ahead of her.

Despite living in the safety of her father's castle in the Shadow World, Harper knows there is a storm brewing just beyond the dome. Priestess Winter will never rest until she recovers the Order's blue ring, and Jackson won't let her forget they now hold the key to Aerden's future.

When an unexpected visitor from Peachville arrives at the castle, bleeding and near death, his story brings Harper to her knees. Someone she loves has been kidnapped and it's time for her to make a choice. Stay in the safety of the domed city? Or go back to the place where it all began?
