Now that the Hangman's list of potentials is dwindling to two names, Detective Jake Thomas realizes that his partner, Detective Jo Callaway is facing a conflict of interest that should take her off the case.

With her father and brother on the chopping block, time is running out for both of them, and Jake knows he'll have no choice but to help the two men he despises most.

While she fights to stay aboard, Jo will make decisions that shake her faith and test her integrity, but will it help or hinder the Hangman's mission?

With the duo still searching for the Hangman, Jake will make a move to the Rockford to find Missy, but will his plan work, or will the Hangman find him first?
