Ladies, I'm not here to tell you how many secret ways you can bend over backwards to get some man to come and validate you. You've heard enough of that.

Men, I'm not here to tell you how to attract more women in an effort to chase the fulfillment your heart yearns for but you never learned how to keep. You've tried that already. It did not, and still has not worked.

I'm here to tell you how to stop getting mindscrewed, toyed with, and taken for granted. It's killing your hope in love, and likely even eating away at your sense of self. You don't have to admit it to me, and you can hide it from your circle, but deep down, you know. Why am I so sure? Because I've been there before.

I've been on both the receiving and giving end of heartbreak. I've been the bullshitter and the bullshitted. I, like many of you, tried everything to put myself in position where I could never get hurt, but no matter what, I failed because I was already hurting due to my lack of understanding of self-love.

In this book, I take you through not only my personal process in that journey but also the lessons I learned to help me lead millions in that same journey for themselves today. I'm not telling you it's going to be easy, I'm just telling you that if you continue going in circles like you've been doing then it's by choice because I've now given you the map. The rest is on you to make the necessary steps. Just don't forget your crown
