From the author of **Outlander**... a magnificent epic that once again sweeps us back in time to the drama and passion of 18th-century Scotland...

For twenty years Claire Randall has kept her secrets. But now she is returning with her grown daughter to Scotland's majestic mist-shrouded hills. Here Claire plans to reveal a truth as stunning as the events that gave it birth: about the mystery of an ancient circle of standing stones...about a love that transcends the boundaries of time...and about James Fraser, a Scottish warrior whose gallantry once drew a young Claire from the security of her century to the dangers of his ....

Now a legacy of blood and desire will test her beautiful copper-haired daughter, Brianna, as Claire's spellbinding journey of self-discovery continues in the intrigue-ridden Paris court of Charles Stuart ...in a race to thwart a doomed Highlands uprising...and in a desperate fight to save both the child and the man she loves....
