Landmark, Bestselling Book Now Revised and Updated

Does God really speak through dreams? Are there such things today as visions?

Absolutely, says author and pastor Jane Hamon. And what is more, God wants you to get the message! This concise guidebook unravels the scriptural meanings of dreams and visions, helping you discern when a dream is a prophetic direction for your life, what to do about a warning, how to recognize false messages--and much more.

In this newly revised and updated edition of her popular book, readers are encouraged to look with new eyes at the biblical basis for this everyday language. It is not complicated, says Hamon. The voice of the Lord is speaking. Don't miss what he is saying.
