**On the beautiful French coast lies the Café Belle Vie, a peaceful haven offering a warm welcome and delicious pains au chocolat - and where Natalie's quiet life is about to be turned upside down...**

When thirty-one-year-old **Natalie Bright**'s boyfriend dumps her and immediately gets engaged to his ex-girlfriend, she escapes her heartbreak and moves to the charming village of Chamillon on the Île de Ré.

She's determined to build a new life there: writing about farmer's markets for a local magazine, exploring the local vineyards on her bike, and taking advantage of the sunshine. And in the **Café Belle Vie** she finds a bustling community - including new best friend Charlie - and a near-constant supply of cakes.

All in all, things are looking pretty good.

So when a blast from the past - her teenage crush **Jay Merino** - suddenly turns up in Chamillon, Natalie's thrown. She's sworn off men ever since she moved to France, but she and Jay have a connection that stretches back years.

But could taking a chance on an old flame complete her new life - or ruin everything she's worked so hard for?

**A gorgeous rom com full of sunshine, croissants and sparkling romance! Perfect for fans of Debbie Johnson, Zara Stoneley and Debbie Macomber.**
