

## Download False Start free Meli Raine (PDF, ePub, Mobi)

This isn't how my life is supposed to end.  
Then again, a case of mistaken identity got me here. No one is ever who we think they are. Especially my kidnapper, a man whose entire life is designed to deceive.  
Powerful people want my rescuer to die. I'm just a lure. A pawn. An object.  
But objects hold meaning. Emotions attach themselves without logic.  
Like love.  
I now know that Duff will do everything to protect me. If he gets here in time. And if I can hold on long enough. Because my body can only handle so much. Pushed to the limits, it's finally giving out. Giving way.  
Giving up.  
I know Duff, though.  
He never will.  
*Blink.*

Read the stunning conclusion to USA Today bestselling author Meli Raine's False series, told from both Lily and Duff's points of view.
