Bodyguard.

Sniper.

Morally corrupt.

I didn't care who I aimed at. You paid me, I pulled the trigger. I sold my skills to the highest bidder, and trust me, I had skills. The Marines trained me to aim a sniper rifle, but life taught me to get the job done—at any expense.

Except hostage recovery wasn't on my short list. I didn't care that the personal security firm that'd hired me was paying double to get some rich businessman's daughter back without casualties. I didn't negotiate with terrorists. Ever. I had my own plan. Take out anyone in my sights, recover the hostage, and get out. But then I laid eyes on the half-naked, bleeding brunette, and I changed my mind. I was gonna do a lot more than simply pull the trigger.

Now they were going to find out how fearless a bodyguard could be.
