If you want to make movies, now is the time to take action! This book is a must read for serious filmmakers! What is included in this book? Chapter 1 Modern Movie Business Right now, with or without Hollywood, you have the opportunity to make movies and reach your audience globally! If you want to take

advantage of this opportunity, NOW is the day when you stop dreaming and start DOING! Learn this stuff and you'll never go back to your old movie making ideas! Chapter 2 Create Your Story You are now competing with filmmakers across the globe who are flooding the market with garbage. To be successful, you need to have a great, marketable screenplay. Something that you can quickly pitch to prospective investors and collaborators and have them say: "That's an awesome idea for a movie!" Chapter 3 Get Movie Money Go from story to budget. You will also find out how to communicate with prospective investors in their language. You will also find tips on how to leverage crowdfunding and social networks to get money. Chapter 4 Manufacture Your Movie To start a small business, all you need is an idea, some start up cash, raw material, production and a customer base - and a way to sell whatever it is you created. Non-discriminatory distribution allows you to create movies from anywhere in the world and reach your audience. Chapter 5 Marketing and Distribution With DVD sales down, utilization of middle-men like sales agents and distribution companies is changing. The ripple effect means that you will need to create your own marketing, sales and distribution strategy. Add Filmmaking Stuff to your Filmmaking Book collection today!
