The Boondocks is a rich, multilayered comic strip that offers a frank yet often funny look at race in America. It starts with a simple premise: Two young boys, Riley and Huey, move from inner-city Chicago to live with their grandfather in the suburbs. The tension increases, however, because the two boys are African-Americans now compelled to adapt to a white suburban world. They must take all they've learned in the "hood" and apply it to life in the 'burbs. Superbly illustrated, *The Boondocks* has stirred controversy, attracted widespread media coverage, and won readers who've applauded McGruder's unapologetic and humorous approach to race. In this second collection of *Boondocks* cartoons, readers can get another look at this innovative strip.
