"Adam Mansbach, whose breakout book *Go the F**k to Sleep* was recorded by Samuel L. Jackson to viral acclaim, has completely shaken up the children's lit space with his profane, candid, and deeply hilarious odes to the trials of parenthood."
--**Entertainment Weekly**

"*F**k, Now There are Two of You*, seems brilliantly aimed at skewering the frustrating family dynamic of suddenly having two children to deal with instead of just one. Being an American family of four can be tough as s**t, and but thankfully, the 'f**k' book series is here to help."

--**Fatherly**

"Nearly a decade ago, the world was enthralled by a satirical children's book by Adam Mansbach called *Go The F**k To Sleep* that paired kid-friendly illustrations with a cuss-tinged message about the frustrations of being a new parent . . . Now, with Mansbach and Brozman coming back for another installment, another famous guy has leant his voice to the inappropriate audiobook version . . . Larry David (who must think the word 'f**k' is pretty, pretty, pretty good) will read the audiobook for *F**k, Now There Are Two Of You*."

--**The A.V. Club**

"Larry David will narrate the audiobook version of a popular children's tale, in what may be the most sarcastic, dark-humored bedtime story known to man."

--**CBS News**

One of **Publishers Weekly's** Big Indie Books of Fall 2019

"The third installment in the adult picture book series that started with *Go the F**k to Sleep* addresses an older sibling whose family is invaded by a new addition."

--**Publishers Weekly**, Fall 2019 Adult Announcements (Comics & Graphic Novels)

Adam Mansbach famously gave voice to two of parenting's primal struggles in *Go the F**k to Sleep* and *You Have to F*****g Eat*--the often-imitated, never-duplicated pair of *New York Times* best sellers that ushered in a new era of radical honesty in humor books for parents. But what could possibly be left?

Parents--new, old, expectant, and grand--of multiple children already knew the answer. Adam discovered it for himself by having two more kids, less than two years apart.

*F**k, Now There Are Two of You* is a loving monologue about the new addition to the family, addressed to a big sibling and shot through with Adam's trademark profane truth-telling. Gorgeously illustrated and chock-full of unspoken sentiments channeled directly from the brains of parents
