*The 100 trails in this book may be the best batch of Arizona 4x4 trails ever put together in one place. Whether you are a newcomer to 4-wheeling or an experienced veteran, you are sure to have fun. In fact, we guarantee it.*

The trails are grouped into seven key areas where we found the best 4-wheeling. Trails cover both mountain and desert terrain. Many are convenient to major cities.

A color format makes planning your next adventure simpler than ever. **Easy**, **moderate** and **difficult** routes are color coded, while symbols quickly show kinds of vehicles allowed on each trail. This includes unlicensed UTVs, ATVs and dirt bikes.

A separate mileage log ties numbered locations along the route to a custom map featuring a relief background. GPS coordinates are provided for each numbered location. Included are reverse mileages for all trails and historical highlights.

All this is supported by an active website, which includes free trail updates, GPS downloads and an email newsletter.
