Well, if this is your reason for wanting to become a hacker then I am sad to tell you the real world of a hacker isn't like this. In fact, pretty much everything that you see in these movies is pure Hollywood and shouldn't be believed.

The world of a hacker is not really as glorious and exciting as it is portrayed on television and in movies. The world and life of a hacker is a long and hard one, sitting in front of a computer screen trying to figure out problems.

There is another group of people however known as "Crackers". These crackers are the group of individuals who go and do all of the malicious breaking into systems and causing havoc. Since the term Hackers was the term that stuck everyone that performs the actions that we will go over in this book are considered to be a hacker.
