"Hilarious. . . Her glass isn't half full—it's 'empty and cracked.'"—Entertainment Weekly (the Must List)

Moved by a particularly inspirational tweet one day, Ali Wentworth resolves to live by the pithy maxims she discovers in her feeds. What begins as a sort of self-help project quickly turns into something far grander—and increasingly funnier—as the tweets she once viewed with irony become filled with growing metaphysical importance. And thus begins her "Unhappiness Project."

It's not all that long before Ali expands her self-improvement quest to include parenting, relationships, fitness (or lack thereof), and dieting advice. The results are painfully (at times literally) clear: when it comes to self-help, sometimes you should leave it to the professionals.

"Razor-sharp."—Cosmopolitan

"Irresistible. . . Sharply observant and incisively

funny."—Library Journal
