"A tender, beautifully told story of emotional growth, forgiveness [and] the possibility of miracles."—Publishers Weekly (starred review)

Madelaine Hillyard is a brilliant cardiologist at the top of her game. A loving but overworked single mom, she is constantly at odds with her confused and angry daughter, Lina, a teenage rebel desperate to find the father she has never known. He is Angel DeMarco, now a cynical, world-famous movie star, living a shallow, glittering life. When tragedy brings them all together, and Angel's damaged heart needs healing, Madelaine must face the betrayals of the past and find the courage to love again.
