Housetraining a puppy is one of the most difficult tasks a dog owner will encounter. According to the American Pet Products Manufacturers Association National Pet Owners Survey, there are more than 77 million dogs kept as pets in America. How to Housetrain Your Puppy in 14 Days or Less will teach you valuable tips that will make housetraining easier for both you and your four-legged friend. Training your new pet will take patience, consistency, and most important, knowledge. This book will not only provide you with information on what to do while you are home with your new best friend, but it will also give you tips on how to housetrain your dog even when you are not around. You will understand the importance of positive reinforcement and will learn how to get your puppy on a training schedule. You will also learn what to do if and when your dog has an accident and about the basic equipment you will need when beginning housetraining (and what pricey equipment you can do without). We've interviewed dozens of dog trainers and vets to get their advice on how to effectively train your new puppy

in less than two weeks. This extensively researched book will offer you a practical guide for how to train your puppy without enrolling in expensive training courses. It even contains proven tips to train your puppy, as well as case studies from experienced dog owners who share their hard-earned success stories.
