Best-selling author Melissa Caughey knows that backyard chickens are like any favorite pet — fun to spend time with and fascinating to observe. Her hours among the flock have resulted in this quirky, irresistible guide packed with firsthand insights into how chickens communicate and interact, use their senses to understand the world around them, and establish pecking order and roles within the flock. Combining her up-close observations with scientific findings and interviews with other chicken enthusiasts, Caughey answers unexpected questions such as *Do chickens have names for each other?* *How do their eyes work?* and *How do chickens learn?*
