The exhibition and book really capture the beauty and ingenuity of the I Ching. (Sandine Hurst) A beautiful exhibition. The images transform the words into emotions. The words transform the images into profound stillness. (A visitor) The I Ching does not offer itself with proofs and results; it does not vaunt itself, nor is it easy to approach. Like a part of nature, it waits until it is discovered. To one person its spirit appears as clear as day; to another, shadowy as twilight; to a third, dark as night. (C.G. Jung) KeLaita's work transforms the body beyond its physical dimension. The essence of a body without its physical representation. (Prof. Klaus Honnef)
