

Download I Like You Just the Way I Am free Jenny Mollen (PDF, ePub, Mobi)

A New York Times Best Seller!

By the actress, writer, and one of the funniest women on Twitter, an outrageous, hysterical memoir of acting on impulse, plotting elaborate hoaxes, and refusing to acknowledge boundaries in any form

Jenny Mollen is an actress and writer living in Los Angeles. She is also a wife, married to a famous guy (which is annoying only because he gets free s**t and she doesn't). She doesn't want much from life. Just to be loved—by everybody: her parents, her dogs, her ex-boyfriends, her ex-boyfriends' dogs, her husband, her husband's ex-girlfriends, her husband's ex-girlfriend's new boyfriends, etc. Some people might call that impulse crazy, but isn't "crazy" really just a word boring people use to describe fun people? (And Jenny is really, really fun, you guys!)

In these pages, you'll find stories of Jenny at her most genuine, whether it's stalking her therapist (because he knows everything about her so shouldn't she get to know everything about him?); throwing a bachelorette party so bad that one of the guests is suspected dead; or answering the eternal question, *Would your best friend blow your husband on a car ride to dinner if she didn't know you were hiding in the backseat?*

I Like You Just the Way I Am is about *not* doing the right thing—about indulging your inner crazy-person. It is Jenny when she's not trying to impress anyone or come across as a responsible, level-headed member of society. With any luck it will make *you* better acquainted with who *you* really are and what *you* really want. Which, let's be honest, is most likely someone else's email password.
