

Download In the Heart of the Sea free Nathaniel Philbrick (PDF, ePub, Mobi)

From the author of *Mayflower*, *Valiant Ambition*, and *In the Hurricane's Eye*--the riveting bestseller tells the story of the true events that inspired Melville's *Moby-Dick*.

Winner of the National Book Award, Nathaniel Philbrick's book is a fantastic saga of survival and adventure, steeped in the lore of whaling, with deep resonance in American literature and history.

In 1820, the whaleship *Essex* was rammed and sunk by an angry sperm whale, leaving the desperate crew to drift for more than ninety days in three tiny boats. Nathaniel Philbrick uses little-known documents and vivid details about the Nantucket whaling tradition to reveal the chilling facts of this infamous maritime disaster. *In the Heart of the Sea*, recently adapted into a major feature film starring Chris Hemsworth, is a book for the ages.
