New York Times, Wall Street Journal, and USA Today bestselling author Meghan March continues the story of her next devastating and damaged anti-hero in *Iron Princess*.

He's a mystery. An enigma.

His very identity is a secret buried beneath layers of deception.

He's also an addiction I can't shake. An attraction I can't fight.

And then I found out exactly who he is—a man more dangerous than the devil himself.

Now I need him in order to save everything that matters to me.

I have to pull back. Protect myself from the danger that haunts his every step.

Which would be easy . . . if I could stop myself from falling in love with him.
