"Thank you for the perfect blend of nostalgia-drenched humor, wit, and heartbreak, Nora." — Mandy Moore

comedy = tragedy + time/rosé

Twenty-seven-year-old Nora McInerny Purmort bounced from boyfriend to dopey "boyfriend" until she met Aaron—a charismatic art director and comic-book nerd who once made Nora laugh so hard she pulled a muscle. When Aaron was diagnosed with a rare form of brain cancer, they refused to let it limit their love. They got engaged on Aaron's hospital bed and had a baby boy while he was on chemo. In the period that followed, Nora and Aaron packed fifty years of marriage into the three they got, spending their time on what really matters: Buffy the Vampire Slayer, each other, and Beyoncé. A few months later, Aaron died in Nora's arms. The obituary they wrote during Aaron's hospice care revealing his true identity as Spider-Man touched the nation. With *It's Okay to Laugh*, Nora puts a young, fresh twist on the subjects of mortality and resilience. What does it actually mean to live

your "one wild and precious life" to the fullest? How can a joyful marriage contain more sickness than health? How do you keep going when life kicks you in the junk? In this deeply felt and deeply funny memoir, Nora gives her readers a true gift—permission to struggle, permission to laugh, permission to tell the truth and know that everything will be okay. *It's Okay to Laugh* is a love letter to life, in all its messy glory; it reads like a conversation with a close friend, and leaves a trail of glitter in its wake.

This book is for people who have been through some s\*\*t.

This is for people who aren't sure if they're saying or doing the right thing (you're not, but nobody is). This is for people who had their life turned upside down and just learned to live that way. For people who have laughed at a funeral or cried in a grocery store. This is for everyone who wondered what exactly they're supposed to be doing with their one wild and precious life. I don't actually have the answer, but if you find out, will you text me?
