It is true that opposites attract--for a while. But often as the years go by in our marriages, opposites may also begin to attack. The habits and characteristics we once found endearing about our significant other are the exact things that drive us crazy years later!

Whether you and your spouse disagree about finances, parenting, or how to load the dishwasher, your differences don't need to divide you. They can actually bring you closer together--and closer to God.

In Keep Showing Up, Karen Ehman shows you...

How to play to each other's strengths as you work on your own weaknesses  
The difference between having a soul mate and having a sole mate  
How to become a faithful forgiver who also forgets  
Strategies for avoiding the social media comparison trap  
Why it's dangerous to mimic a friend's marriage  
How to unearth the magic in the mundane  
Why a spouse who drives you crazy can drive you straight to Jesus

Throughout Keep Showing Up, Karen includes ideas to implement in your marriage right now, such as powerful statements to speak to your spouse, date-night-on-a-shoestring suggestions, and discussion starters.
