During the second half of 1943, after the failure at Kursk, Germany's Army Group South fell back from Russia under repeated hammer blows from the Red Army. Under Erich von Manstein, however, the Germans were able to avoid serious defeats, while at the same time fending off Hitler's insane orders to hold on to useless territory.

Then, in January 1944, a disaster happened. Six divisions of Army Group South became surrounded after sudden attacks by the 1st and 2nd Ukrainian Fronts under command of generals Nikolai Vatutin and Ivan Konev around the village of Korsun (near the larger town of Cherkassy on the Dnieper). The Germans' greatest fear was the prospect of another Stalingrad, the catastrophe that had occurred precisely one year before.

This time, though, Manstein was in control from the start, and he immediately rearranged his Army Group to rescue his trapped divisions. A major panzer drive got underway, led by General der Panzertruppen Hans Hube, a survivor from Stalingrad pocket, which promptly ran up against several soviet tank armies. Leading the break-in was Franz Baeke with his Tiger and Panther-tanks. Due to both weather and ferocious resistance, the German drive stalled. Ju-52s still flew into Korsun's airfield, delivering supplies and taking out wounded, but it soon became apparent that only one option remained for the beleaguered defenders: breakout.

Without consulting Hitler, on the night of February 16 Manstein ordered the breakout to begin. Led by the strongest formation within the pocket, SS Wiking, the trapped forces surged out and soon rejoined the surrounding panzer divisions who had been fully engaged in weakening the ring.

When dawn broke, the Soviets realized their prey was escaping. Although the Germans within the pocket lost nearly all of their heavy weapons and left many wounded behind, their escape was effected. Stalin, having anticipated another Stalingrad, was left with little but an empty bag, as Army Group South—this time—had pulled off a rescue.

In *The Korsun Pocket*, Niklas Zetterling, a researcher at the Swedish Defense College since 1995 and Anders Frankson, have provided a highly detailed and often breathtaking account of one of the most dramatic battles of World War II. From grand strategy to soldiers' voices on the ground, including expert statistical analysis, the action, and the stakes, of the battle at Korsun are made vividly clear.

**KORSUN POCKET PDF** - Are you looking for eBook Korsun Pocket PDF? You will be glad to know that right now Korsun Pocket PDF is available on our online library. With our online resources, you can find Korsun Pocket or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Korsun Pocket PDF may not make exciting reading, but Korsun Pocket is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Korsun Pocket PDF and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Korsun Pocket PDF. To get started finding Korsun Pocket, you are right to find our website which has a comprehensive collection of manuals listed.

Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Applied Numerical Methods With Matlab Solution Manual 3rd Edition PDF. So depending on what exactly you are searching, you will be able to choose ebooks to suit your own needs.

Here is the access Download Page of KORSUN POCKET PDF, click this link to download or read online:
