Dare to read the true back-story of Andrew Weissmann--now on Robert Mueller's hit-squad investigating President Trump. A tragic suicide, a likely murder, wrongful imprisonment, and gripping courtroom scenes draw readers into this compelling story giving them a frightening perspective on justice corrupted and who should be accountable when evidence is withheld. Licensed to Lie: Exposing Corruption in the Department of Justice is the true story of the strong-arm, illegal, and unethical tactics used by headline-grabbing federal prosecutors in their narcissistic pursuit of power. Its scope reaches from the US Department of Justice to the US Senate, the FBI, and the White House. This true story is a scathing attack on corrupt prosecutors, the judges who turned a blind eye to these injustices, and the president who has promoted them to powerful political positions.
